

## Warning!

1. Potential Candidates who will submit Pre-Qualification Proposal shall be a registrant of the Pre-Qualification of Vendors for Supply and Repair Services of Gas Turbine Parts, related to the proposed equipments to be EGAT's Accepted Gas Turbine Parts Vendor List.
2. Potential Candidates shall submit Pre-Qualification Proposal, signed by their authorized representative, and manually signed in ink or digitally signed by a person or persons duly authorized by them and affixed with corporate seal (if any) as specified in Article 6.1 of Pre-Qualification Document.

Pre-Qualification Proposal shall be furnished in English one (1) electronic form (PDF format or compressed files in Zip formats), not exceeding twenty-five (25) megabyte (MB) per email message, and submitted to EGAT no later than the Submission Date of Pre-Qualification Proposal.

Potential Candidates may redact any confidential information set out in Pre-Qualification Proposals but they should ensure that sufficient unredacted information therein is provided to enable EGAT to evaluate the Pre-Qualification Proposal during EGAT's Pre-Qualification process.

The letter of authorization shall be indicated by written power-of-attorney accompanying the Pre-Qualification proposal.

3. Pre-Qualification Proposal shall be those of the proposed entity only. All information, documents, and other evidences presented by Potential Candidates shall be certified as true by their authorized representative. If any candidate presents false information or false documents or false evidence to EGAT, those of such candidate shall not be considered in EGAT's Pre-Qualification process.
4. EGAT will treat the Potential Candidate's Pre-Qualification Proposal as confidential. The Potential Candidate is required to be aware that, as a state-owned entity, EGAT may be required to disclose certain elements of his Pre-Qualification Proposal to Thailand's government, when requested.
